

2018 Sponsorship Opportunities: NOURISH THE MOVEMENT

2018 San Diego Green Building Conference and Expo will be hosted on September 21st, 2018 at the Double LEED Platinum Energy Innovation Center in Clairemont Mesa. The event will gather over 200 individuals representing the architecture, construction, interior design, landscape, planning, local government, engineering, and sustainability industries.

The event is hosted by the San Diego Green Building Council, a local 501c3 community benefit, environmental non-profit organization with a mission to: inspire, educate and collaborate within our community to transform our built environment toward true sustainability. SDGBC is a chapter of the US Green Building Council and a home to San Diego Living Building Challenge Collaborative.

All proceeds and sponsorships from the event will help us support local green building and sustainability programs in the San Diego Community. Please consider supporting the green building movement by helping us fund tasty and nutritious fare!

All **NOURISHING** sponsors will be recognized at the event on printed boards near Food and Beverage stations. Visit usgbc-sd.org for info about conference sessions and stats from past events.

Event sponsorship levels:
