

**Board candidate:**

**Kyle Frandsen**, Sustainability Project Manager at Balfour Beatty Construction

**In general, why do you wish to be a Director of the San Diego Green Building Council?**

I have been a member of the SDGBC for over three years and I am passionate about the organization. I want to help to bring new ideas and energy to the SDGBC.

**Please provide a summary of your professional qualifications, knowledge, and experience most relevant to SDGBC? Also indicate any senior management and executive level experience.**

I am a LEED Professional for one of the largest General Contractors in the US. I have helped certify over a dozen LEED projects and I have assisted many Balfour Beatty employees to earn a LEED credential. I oversee all Prop 39 (California Clean Energy Jobs Act) projects for Balfour Beatty. In addition, I organize the Green Apple Day of Service each year.

**Please explain your availability and willingness to participate in resource development. This may take many forms, including direct sponsorship; helping secure funding or otherwise opening doors to corporate, governmental and charitable sources.**

I have experience with resource development and I am willing to help in any way that I can.

**Please describe what other expertise, experience and resources you bring to the Board of Directors.**

I will continue to organize and execute the annual Green Apple Day of Service. I will be able to leverage the resources of Balfour Beatty Construction and our trade partners.

**Please describe your engagement with other nonprofit organizations and governance.**

- Mentor for ACE Mentoring
- Member of AGC
- Involvement with Ronald McDonald House and Junior Achievement

**Please identify any affiliations, memberships, and accreditations that may be valuable to SDGBC leadership**

- Master's Degree in Construction Management with a Sustainability Concentration from the University of Florida
- LEED AP BD+C
- Six Sigma Yellow Belt
- AGC Lean Construction Certification
- Certified Strengths Coach

**Please add any additional thoughts on ways the SDGBC can improve attainment of our vision.**

The vast majority of my professional experience is in Green Building and Sustainability. I personally share the same vision as the SDGBC and that is reflected by my actions.
